Informational Circular 2004-08

To: All Members

Servicing Carrier Bid Process Status

This Circular is intended to provide Member Carriers a status of the process to select assigned risk servicing carriers for 2005-07.

The ICRB was approached by members requesting an exception to a standard bid requirement that the bidder must have been writing workers compensation insurance for each of the most recent five (5) years in Indiana (reference RFP Section III. General Information, C. Requirements, 1) Servicing Carrier Minimum Eligibility Requirements).

After review and consideration of the request, the ICRB has agreed to allow an exception to the requirement so that a member carrier which otherwise qualifies, may submit a bid without five years experience in Indiana. Each bidder's Indiana experience and financial status shall be given due consideration in the evaluation process.

Sincerely,

Ronald W. Cooper, CWCP
President
