Circular 2008-07

Item Filings Status – 2008 Year-to-Date

Item filings deal with rule and code changes in the various workers compensation manuals and plans. These filings occur throughout the year as needed. Because of the higher than normal volume of item filings this year, we thought it would be helpful to provide you with a year-to-date list.

Please see the table on the next page. The most recent item filings (by effective date) are at the top of the list.

We just updated the list which includes three filings effective September 1, 2008 stamped “filed” last week by the Indiana Department of Insurance:

P-1406	Withdrawal of Endorsement WC 00 01 13 A and Revisions to Endorsements WC 00 04 21 B and WC 00 04 22
B-1407	Catastrophe Provisions Miscellaneous Values, Rules and Statistical Codes
U-1397	2008 Statistical Plan for Workers Compensation and Employers Liability Insurance

We continually update item filings in two places:

- ICRB website, [Filings List](#) document (with links to the filing memorandums)
- Indiana is a state included in the NCCI weekly [Status of Item Filings Circulars](#) (*NCCI Product Code 2118; Pricing: Affiliates & ICRB members \$250*)

Sincerely,

Ronald W. Cooper, CWCP
President
